The yearbook at Copiah-Lincoln Junior College had its beginning many years ago. The first yearbook at Co-Lin was published in 1925 by the Copiah-Lincoln High School Senior class. The yearbook was then named *THE CO-LIN.* In 1934 Simpson County joined in support of Copiah-Lincoln Junior College. *THE CO-LIN* was then renamed the *TRILLIUM* after the three supporting counties: Copiah, Lincoln, and Simpson.

The Trillium is a flower that is a native of North America. The parts of this large flower usually come in threes. The flower and the plant are both extremely variable. There are approximately twenty-eight species of the Trillium. They range in color from white to pink, red, purple, and yellow. The three parts of the Trillium represent the three counties that first supported Copiah-Lincoln Junior College.

A monument was donated and erected by Dave Pace of Brookhaven Monument Company in memory of the Copiah-Lincoln Junior College students who gave their lives defending our country. Mary Clark of Bogue Chitto and Janie West of Brookhaven, Co-Lin art students of Tom Ross, were the designers of the monument.

Dr. Billy Thames, Co-Lin president, welcomed a group on Memorial Day, May 26, to the dedication ceremonies for the monument. The colors were presented by Alton Ricks, dean of students at Co-Lin, and a group of Boy Scouts.

The Rev. Eugene Horton, pastor of Decell Memorial United Methodist Church in Wesson, brought the invocation, and Greg Long, director of choir activities at Co-Lin, sang the national anthem. Introductions of special guests were made by Dr. Howell Garner, dean of instruction at Co-Lin.

The president of the Copiah-Lincoln Foundation Inc., Lester Furr, paid tribute to those being memorialized followed by Burlian Walker who read the names of 54 Copiah-Lincoln students who were killed or missing in action during World War II, the Korean Conflict, and the Vietnam Operation.

The director of the Baptist Student Union at Co-Lin, Rev. Roy Smith, gave the benediction, and chairperson of the fine arts division and band director, Stanley W. Stewart, played taps.

A reception in the Memorial Building followed the dedication.

1986-87 A Year To Remember

The year is rocketing to a finish: the days are flying by, the hours are vanishing into thin air, and the seconds are ticking off at a supersonic speed. Seems like yesterday we were preparing for the Trillium Beauty Pageant, taking road trips to Biloxi or New Orleans, wearing torn, faded jeans, Coca-Cola clothes or Swatch watches, starting construction on the new dormitories, attending conventions, making late night visits to the truckstop, participating in Christ Focus Week, jamming at The Monkees, Lionel Richie, or David Lee Roth concerts, and chewing the famous state fair taffy. All these things were part of our lives that made 1986-87 A YEAR TO REMEMBER!

Dr. Billy Thames shows dedication.

Dr. Billy Thames, president of Copiah-Lincoln Junior College District since January, 1968, works constantly for the growth and expansion of both the Wesson and Natchez campuses. Under his leadership, the college continues to expand programs and to reach into every community within the district.

Dr. Thames has been a leader in Mississippi education since coming to Co-Lin in 1968. He has served as president of the Mississippi Association of Colleges, as president of the Mississippi Junior College Association and as a member of the Mississippi Junior College Commission. In addition, he has served as a member of the Board of Directors of the Southern Association of Community/Junior Colleges and a number of other boards. He is also a member of the Small Rural Commission of the American Association of Community and Junior Colleges.

Dr. Billy Thames is active in the Wesson Lions Club, having served twice as its president. He completed a term as District Governor of the Lions Club in 1983 and was chosen chairman of the Council of Governors of Lions Club in 1983-84. He is currently serving on the board of directors of the Wesson Lions Club and is the Lion Trainer for the state of Mississippi.

He has served in various offices for professional, religious, service, and fraternal organizations.

An active member of Wesson Baptist Church, Dr. Thames serves as an active member of the Board of Deacons and as the director of adult Sunday School.

His family consists of Mrs. Anne A. Thames, the manager of the Learning Center on the Wesson Campus; Rachel, a kindergarten teacher for the Clinton school system; Rebecca, a sophomore at Co-Lin; and William, a senior at Wesson High School.

Six win Hall of Fame honors

To be chosen to the Hall of Fame is the highest honor that can be given to a Copiah-Lincoln Junior College student. The TRILLIUM presents six graduating sophomores in the thirty-fourth selection on the Wesson campus. Each was nominated in open nominations, approved by a screening committee of fellow students, recommended by a faculty committee on the basis of character, leadership, and contribution to Copiah-Lincoln Junior College. Dating back to 1954, this year's Wesson campus selection add six to the list of 111 previous winners.

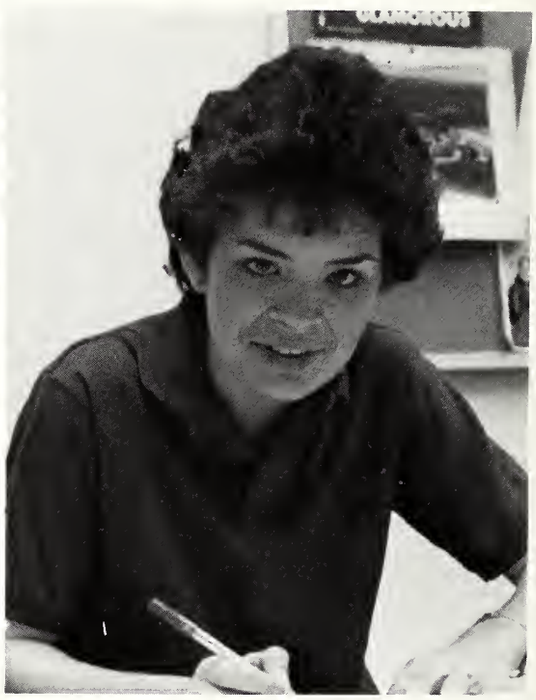
1987 — a year to remember



The Tillium staff worked hard sponsoring the annual beauty pageant on November 11. The stage was decorated with top hats and balloons, and lined with ferns, adding to the theme which was "A Touch of Class." Thirty contestants entered the pageant competing for the title of Co-Lin's Most Beautiful.

Co-Lin Trillium

The final shipment of the yearbook is due and the editors are busy in the workroom, while the first snow in three years is falling outside. This is like an open invitation to come out and play. "Just a few more minutes," we keep saying.

What will we do with all the free time and sleep that we will have. We could always use it to do extra studying — never! These things and many more have gone into the production of this yearbook.

We hope this yearbook has captured your many memories of Co-Lin. Things happen during your years here that will never be forgotten. Co-Lin alumni will always remember things like sports, roommates, trips to the truckstop, and roadtrips — of course.

Some of us will be leaving Co-Lin this year and we hope we have captured in this yearbook all the great times you have had here. After all this is 1987 — A Year to Remember.

There are many special people who have helped us this year such as Don Jackson; our own photographers; and the Trillium staff. We would also like to thank the associate editors of the Trillium staff, Chris Conn and Jill Rogers, for all the extra time and effort they have spent helping us.

A special thanks goes to Burlian Walker. Burlian's wit, helpfulness, and especially his patience has meant a lot to us as editors. He has kept us going.

Through this yearbook we have tried to capture the highlights of this year. In years to come we hope you can look back on 1987 — A Year to Remember, and smile.
